Highlights

Chosen by millions
The Philips Sonicare Whitening Touch-Up Pen is part of the popular Philips Zoom whitening family, the #1 patient-requested professional whitening brand that's been trusted by over 14 million people already****. It also comes from the same creators of popular brands you know and love, including Philips Sonicare and BreathRx, and was designed to help improve your white smile.

Easy application
Using the Philips Sonicare Whitening Touch-Up Pen is simple. Just remove the cap, click the pen button and brush the gel onto the surface of your teeth. That's it!

Maintain your results
With the Philips Sonicare Whitening Touch-Up Pen, you can keep your smile looking bright between whitening treatments and extend the life of your results.

Perfect on-the-go
You've got a hectic schedule. Luckily, whitening maintenance doesn't have to slow you down. The Philips Sonicare Whitening Touch-Up Pen lets you touch up your smile wherever you are. In fact, eight out of ten people recommend this product as a fast, effective way of teeth whitening on the go.

Recommended by consumers
When asked about the Philips Sonicare Whitening Touch-Up Pen, eight out of ten people said they would recommend it as an easy and effective way to maintain a long-lasting white smile.
